Firstly a big thank you to all of the parents that attended the AGM & those who have volunteered to take up positions on the committee. An even bigger thank you to those parents who have been running the club & stepped down from the committee, a job well done!

Congratulations to all of the teams that played the first game of the season on Saturday 18th April. The club is very proud of the amazing young talent we have. It was awesome to see such healthy, happy & friendly competition.
